Technology Center "Drop-In" Sessions

*Learn about the great resources available in the
Library's Technology Center. No registration, just "drop-in."*

Digital Device Q & A
Mondays   10a.m. – Noon

Stop by to ask some quick questions about getting the best experience from your digital device.
Be sure to have your device fully charge and you know all your sign-in information/passwords.

Computer Basics for Seniors (55+)
Tuesdays   10a.m. – Noon

Never used a computer or surfed the Web? Curious? Our friendly staff will explain, in basic terms, about
electronic mail (email), browsing the Internet and other technology nitty-gritties.

Weebly: Create Your Own Website
Thursdays 1:30 – 3:30p.m.

Ever wanted to create your own website? Stop by and we'll show you on how to get started!

E-Books & Digital Content Q&A
Fridays   10a.m. – Noon

Interested in E-Books? Do you have an iPad, Kindle or a Tablet? Explore the ever growing digital content of
the Danbury Library, ready at your fingertips!

(Not available on these days and times? Stop by the Technology Center Service Desk anytime - we'll be
happy to assist you!)

Danbury Library
