About the Presenter:

Rebekah Wilson, MSW, is a dementia care specialist, trainer and aging care coach with fourteen years of experience in elder care services including hospice, home health care, assisted living, and care management. In these arenas, she has used her specialties in teaching, community outreach, marketing, and developing innovative strategies for providing comfort care for seniors and their care partners. She has presented at local, state, and national conferences as a trainer on Alzheimer's disease, Frontotemporal Dementia, Behavior Management, Navigating Transitions and other caregiving topics. She serves as a dementia care coach mentoring care partners in developing individualized non-pharmacological interventions and innovative care solutions. Rebekah has devoted her career to improving quality of life for seniors and supporting those involved in their care. She considers it an honor to help those navigating the aging process.
