Question: When should you visit your primary care doctor, an emergency room or urgent care facility?

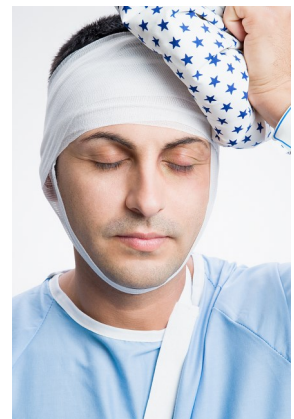

Answer: Join us!

Saturday, April 8
10:30 - 11:15 a.m.
Farioly Program Room

Are you looking for answers about the best place to treat any number of health related issues? Have you ever called your Primary Care Doctor only to be told they had no free appointments available for three days? What is the difference between Urgent Care and the Emergency Room? Are all Urgent Care Centers alike?

If you have ever felt the need to know more about the health care industry today, please come to this presentation and bring along your questions!

Presenter:
Kim Merrill is the Community Relations Manager for PhysicianOne Urgent Care and lives in Danbury.
