

THE FLU VS. THE COMMON COLD

NOVEMBER 13, 2:00PM - 4:00PM

Open to the community!

Join us for this informative seminar at Village Crest Center for Health and Rehabilitation, Located directly behind New Milford Hospital, 19 Poplar Street, New Milford CT 06776. Jill Hart Community Nurse with New Milford Visiting Nurse and Hospice will be talking about the flu vs the common cold...differences, preventive measures as well as vaccine information and options. Appetizers and refreshments will be served. After the presentation they will be giving out flu shots. Most insurances are excepted. Get protected!

RSVP to Julie A. Brown @ 203.312.3441 or Julie.brown@nathealthcare.com by November 6th
